

A game on a 7x7 board,
with comments.

```
\documentclass[border=0.5cm]{standalone}
\usepackage{animate}
\usepackage[kernel = lua]{../../latex/pgf-go}
```

```
\pgfgoreset{goban = {background = {fill = {color = pgfgo}}, label = {at = {south, west}}}}
```

```
\begin{document}
  \sgfanimation[
    comments = {true, height = 5em},
    goban = {captures},
    animate = {controls, loop}
  ]{commented.sgf}
\end{document}
```
